BANDING TOGETHER TO END DOMESTIC VIOLENCE

FVAP PRESENTS THE 8TH ANNUAL Banding Together to End Domestic Violence

Banding Together is an annual battle-of-the-bands fundraiser featuring lawyers who rock out for a good cause. Held every summer in San Francisco in June, Banding Together showcases bands of attorneys from California's most philanthropic law firms and corporate legal teams who compete in an epic musical battle for the coveted title: Best Lawyer Band in The Bay.

The Banding Together audience includes professionals and decision makers from California's top law firms, corporations, and tech companies. Sponsorship reaches this desirable demographic as they're having a memorable, fun night out with colleagues. Marketing benefits also extend beyond the event audience; sponsor names reach all visitors to the bands' fundraising pages at least 6 weeks before the event. These web-pages reach a national — sometimes even an international — audience, as band members broadly reach out to their networks to rally votes for their band and raise money for the cause. Sponsoring Banding Together lets the world know that your firm or company cares about issues affecting our communities and believes in giving back.

Though the competition is fierce, these rock star attorneys will band together to raise over \$150,000 for Family Violence Appellate Project (FVAP), the only nonprofit in California dedicated to providing free legal services to domestic violence survivors who need to appeal and overturn dangerous trial court decisions that have left them or their kids at risk of ongoing abuse. Event sponsorship is tax-deductible to the fullest extent of the law, minus the value of event tickets and drink vouchers.

This year's event will be held at [The Chapel](#) in San Francisco's Mission District at 777 Valencia St, San Francisco, CA 94110.

What is Family Violence Appellate Project (FVAP)?

FVAP is the only organization in California dedicated to help-ing survivors of domestic violence by appealing and overturning dangerous trial court decisions on their behalf, for free. When a court decision leaves domestic violence survivors or their children at risk of ongoing abuse (by granting child custody to an abusive parent, or denying a restraining order), FVAP gives survivors a second chance at justice, empowering them to get the safety and justice they deserve by providing free appellate representation to overturn the dangerous ruling.

By working at the appellate-court level, FVAP is reshaping California law to make our state safer. Each published appellate decision sets new statewide legal precedent that prioritizes the safety and well-being of survivors and kids. We hold courts accountable and make sure California's domestic violence laws do what they're supposed to: keep families safe.

How is FVAP ending domestic violence in California? By making sure all kids have the opportunity to grow up in safe, healthy homes, we're breaking the inter-generational cycle of trauma and abuse. Children who grow up without abuse are far less likely to become abusive adults. Our innovative approach is creating tangible change and making California better for the next generation.

For more information, visit www.fvapl原因.org.

How can we get more involved?

- ✓ *Appeal a case with us -- we partner with pro bono lawyers on our appeals.*
- ✓ *Moot court*
- ✓ *Analyze cases*
- ✓ *Write an amicus brief*
