The Results Are In!

FVAP is excited to share that Battle of the Bands 2023 raised over $110K with nearly 350 ticket sales! Funds will go toward continued appellate and legislative work that aid survivors of domestic violence and their families and continue to set compelling case precedents that allow courts to correct judgments that continue to harm the victims.

2023 BOTB Impact Report

DV appellant work continues...

Since 2012, FVAP has been raising funds to provide free legal aid and services to support survivors of domestic violence and their advocates. As one of the only legal aid nonprofits across the country dedicated to helping domestic violence survivors at appellate court, FVAP overturns dangerous trial court decisions that leaves survivors or their children at risk of ongoing abuse. Our goal is to disrupt the intergenerational cycles of trauma and abuse and ensure all children have the opportunity to grow up in safe, healthy homes. We are grateful for all who came out to support survivor stories and their wins. The fight to end domestic violence continues and FVAP stands beside you to continue to meet the moment one case at a time.
