Banding Together to End Domestic Violence

Celebrating 13 Years of Impact

We invite you to be a part of a powerful legacy of appellate representation, support, and advocacy in our community by sponsoring our **13th Annual Battle of the Bands: Banding Together to End Domestic Violence** event on **Thursday, June 26th at The Chapel in San Francisco!**

This annual fundraiser is a cornerstone of our mission, with a goal of raising \$120,000 to strengthen the legal defense of survivors.

FVAP was created in 2012 to fix a legal system that fails survivors of domestic violence. At that time, the number of California's published domestic violence-related cases could be counted on just one hand. There are now an additional 64 published family law cases in California relating to positively supporting domestic violence survivors due to FVAP's work.

We believe no one should endure abuse.

FVAP is committed to providing free, high-quality, legal representation to survivors of domestic and gender-based violence to reverse dangerous court rulings that leave people at-risk for continued abuse.

Featuring rockstar attorneys and legal professionals from California law firms and corporate legal teams, these bands prove that the law isn't their only talent. **Join us on June 26th at The Chapel to watch them battle for the coveted title, Best Lawyer Band in the Bay 2025!**
